Princess and the Frog Playset

1. Print out the pages on regular paper or cardstock and cut out all of the pieces. Don't cut along the dashed lines. This is where you will fold the paper.
2. Fold each character piece in half along the dashed line. Spread glue on the white side of the paper behind the design, leaving the white tabs at the bottom glue-free.
Make sure the two sides are lined up correctly. Press until the glue dries. Repeat for all pieces.
3. Fold the bottom white tabs outward to create a stand for your characters.
4. Fold the stands for the background in half along the dashed lines. Spread glue on the white side of the paper behind the design, leaving the white tabs on the sides glue-free. Make sure the two sides are lined up correctly. Press until the glue dries.
5. Fold the white tabs outward and glue them to the back of the background. It should stand up like a picture frame when finished.
